Vikings Face Heavy Sked

The Grayling High Vikings track team after defeating Gaylord and Frederic in the opening track meet here last Tuesday face a terrific schedule this week.

This Tuesday, the Mancelona Invitational will invade the track area at the City Park Field for a dual meet. On Friday, the Central Michigan Relays will take about 20 boys to Mount Pleasant to enter the Central Michigan Relays which start about 10 A. M. The next day the team will accompany the Gaylord Blue Devils in their first of their kind invitation to enter the Soo Invitational meet at Sault Ste. Marie. Following this week's heavy workouts, the Vikings will get a week end of rest and then move up to Gaylord the following Tuesday for a three-way meet between Grayling and Boyne City.

The last Tuesday Grayling scored a total of 794.2 points to nose out Gaylord who compiled only 444. Frederic High entered a few of their kind invitation to enter the Soo Invitational meet at Sault Ste. Marie.

Two new school records were set by Tom Gibbons won the broad jump with a leap of 19 feet, six and seven-eighths inches which broke the previous mark by an inch. Richard Hamilton broke the 120 yard hurdle mark of 17.6 seconds when he topped the timbers in 17.25 seconds but still finished behind George Middleton of Gaylord who ran the hurdles in 18.8 seconds.

Grayling won the medley relay and the half mile relay. Running on the relay teams for the Vikings were Dave Lowe, Gary Worden, Bill Kenyon, Dale Pettengill, Elmer Felling, Tom Gibbons and Mike Gibbons. Tom Gibbons won the 100 yard dash and the 220 yard dash. Hamilton won the high jump while Felling and Middleton tied in the pole vault for first place.

Others scoring for Grayling were Kenyon fourth in the high hurdles, Lawrence Campbell second in the mile, Mike Gibbons third and Jim LaGrew fourth in the 440 yard dash, Hamilton second and Worden third in the low hurdles, Richard Moore fourth in the shot put, Keith Warner second, Richard Klein third in the half mile, Kenyon second in the high jump, Gary Parkinson third and Lowe and Worden tied for fourth in the pole vault. Hamilton second and Pettengill fourth in the broad jump. Scoring for the Frederic Eagles were Middleton third in the mile and Mertes fourth in the half mile.

Prepare For Class Of 1958

As the graduating class of 1958 enters the last few hectic weeks of preparation for all the thrills and excitement of Commencement Week, the P. T. A., in cooperation with the Health Department is preparing to launch the Class of 1958 health check-up. The first step was accomplished nearly a year ago when the school census was taken. May 1st, being National Child Health Day, during the first week in May the health check-up will attempt to contact the parents of every child due to be enrolled in kindergarten through the fifth grade, making a record of the child's health history in preparation for the Pre-School Health Clinic in which every child is given a complete health check-up by his own physician later in the month. This information becomes a part of the child's permanent school record.

Mrs. R. A. Funck has been appointed chairman of the P. T. A. and is conducting this annual Pre-School Roundup, and any families who have moved to the community since last May, or who otherwise were not included in the school census taken at that time are urged to contact her at the Grayling Clinic and Heating Company, phone 523, as soon as possible if the family includes a prospective kindergarten child.

An Open Letter to Mr. and Mrs. Public

A little over a week ago, you attended a big party given in the New High School Gymnasium. This party was given to you by the Merchants of Grayling.

We wonder if you realize the time, effort and money it took to put on the party.

You took home favors from all the booths—not junk but useful articles you could use everyday. Do you know that those favors cost more than one hundred dollars (\$100.00), besides the valuable time and money. You sampled food, soft drinks and ice cream all during the day. The most costly good money.

Do you know that it took time on the part of the merchants and they had to carry all their merchandise to the school, set up their booths and then get them all down and out of the gym by Sunday noon.

Do you know that many of the merchants had to hire extra help to carry their goods while they took care of their booths. Do you know that these merchants who did not have booths, cheerfully bought goods for advertising and also contributed expensive door prizes.

We would like to take this opportunity of telling you how you can show your appreciation to the merchants for all this. Let's patronize the merchants who start to spend a dollar out of town, ask yourself whether this is the best use of your money.

Our Women's Club is mighty proud of our merchants and we know you will be too, when you stop and consider all they did to make this a big success.

Let's be loyal and keep our dollars in Grayling.

Mrs. Walter P. Wheeler
Mrs. Lester O. Welch
Co-Chairmen—Grayling Women's Club Trade Show

The Grayling Women's Club is proud of their second annual Trade Show.

The splendid co-operation of everyone made it the huge success it was.

On behalf of the Club, I wish to thank everyone that contributed to the show, especially Mr. Wesley Kumpula and his working class, Mr. Robert Edman, Mr. Earl Burns, Mr. Clarence Roberts and his Scouts, Mr. Ted Wheeler, Mr. Thomas Welsh, Mr. Robert Bovee, Mr. Les Hunter, Mr. Russell Carlson, Mr. Clinton Bancroft, Mr. Aubrey Blaine, Mr. Joseph Stripe, Dr. Leonard Allison, Mr. Edward Sullivan and his crew of men at the new gymnasium, Mr. Lewis Sullivan, Mr. Frank Scott, Mr. Roy Truogson, Mr. Frank Bond, Mr. Clayton Hildebrand and his crew of men at the new gymnasium. To all, we are truly grateful and a hearty thank you to the public for their splendid attendance.

Mrs. Carl Richardson, President.

Karen Rasmussen Mary Jane Wakelore

Grayling Unit No. 108 of the American Legion Auxiliary has selected Karen Rasmussen of Grayling to attend Girls State, to be held on the campus of the University of Michigan June 14 to 22.

Girls State is a National program of the American Legion Auxiliary, which aims to bring to the girls of today a knowledge of the fundamental principles of American government.

Wolverine Girls State is held annually at the Junior or third year in Senior High School. Registration opened January 1st, 1955 and closed May 1, 1955. Three hundred girls will be selected in Michigan to attend. At the conclusion of Girls State, two girls will be chosen from the 300 to attend "Girls Nation" in Washington, D. C., where they will see the United States Government in operation.

Selection to Girls State is a high honor. The girl chosen is a potential leader, honest, industrious and has a high sense of duty. The purpose of Girls State is to inculcate a sense of individual obligation to the community, state and nation; to prove the advantage of citizenship and develop the responsibility of leadership.

Mary Jane Wakelore of Grayling was selected by the Women's Club to attend Girls State. Kay Ellen Pettengill was selected as alternate for both Karen Rasmussen and Mary Jane Wakelore. The girls were chosen on a point system. Each high school teacher who knows the girls was asked to pick three girls, giving first choice three points, second, two points, and third, one point.

Rosemary Billeby, Chairman, Edith Long and Juanita Gibson were the committee to select a girl for the American Legion Auxiliary. Also on the committee were Mrs. J. P. Cook and Mrs. B. C. Cornwell.

Users Of City Electricity To Save \$20,000 This Year Over 1952

Light Plant Still Not At Top Capacity

Figures released today by City Manager Carlson show that residential users of electric energy produced by the Grayling Municipal Light Plant will show a saving this year of \$15,836.64 while commercial users will save \$4,163.35 over billings based on 1952 rates. This makes a total savings to consumers of city power of \$20,000.49.

Manager Carlson also stated that the peak load carried by the plant last year was on November 25 and December 22, 1954, when the plant was producing 1,065 kilowatts. The present load varying from day to day is about 870 kilowatts while the plant is capable of producing about 1,250 kilowatts at top capacity. So far this year, he added, the plant is producing about 50 per cent more power than in 1953.

Under the new rates which go into effect with the May 1st billing, a check with rates as published by the Michigan Municipal Utilities Association shows that Grayling moved from 35th place in 1952 to 11th place now for 1954 kilowatts. On a 250 kilowatt charge, the local plant has advanced from 43rd place to 10th and on 500 kilowatts from 39th place to 20th.

The average cost in 1952 for 100 kilowatts was \$4.37, for 250, \$6.73 and for 500, \$12.00. Under the new rate structure the similar charges will be \$3.20, \$6.20 and \$9.80.

Electric energy for water heating in 1952 was on a separate meter and cost .015 cents per kilowatt. Under the new rates, the charge for water heating in the rate structure between 300 and 600 kilowatts bracket at a charge of .013 cents.

The present trend of electric energy users is ever upwards, Manager Carlson said. In 1952 the largest number of kilowatts used was 295. In 1953, 295 kilowatts bracket and now have moved to the 101 to 150 bracket. The upward trend is traceable to more and larger electric appliances in the home, he said.

The plant now services nearly 1,000 residential and commercial customers. Manager Carlson stated: "The greatest savings for users appears in the bracket between 61 to 100 kilowatts where the charge in 1952 was averaging at 65 cents per kilowatt and now averages .036, or a 2 cents savings. In other brackets from 101 to 1,000 kilowatts, the charge in 1952 was .04 cents per kilowatt and now averages .025, or a 1.5 cents savings and over the reduction in cost per kilowatt is from just under one cent upwards to one and a half cents."

City Manager Carlson pointed out that domestic users of the plant's electric energy output used 99,000 kilowatts during March 1953 and 122,000 kilowatts during March 1954. In March, 1955, domestic consumers used 200,000 kilowatts.

An estimate of saving of \$20,000 to the users of power produced at the city plant this year are very conservative, Manager Carlson stated, "with a continued upward trend in the use of power the savings could easily go to \$40,000 or \$50,000. If the savings are to reach the larger amount, they would actually equal what the City of Grayling collects in taxes upon the present valuation."

How Your Cancer Contribution Is Spent

25% supports a nationally administered, comprehensive research program. Grants were made to 132 hospitals, universities and laboratories in 50 states and the District of Columbia for 1954-1955; 295 grants-in-aid, 40 institutional and special purpose research grants and 79 fellowship and scholarship awards. The sweep of this distribution and the institutions participating demonstrate the careful stewardship of research investment maintained by the society.

3% is used to provide medical grants and fellowships. The grants underwrite a variety of important medical activities by individuals and agencies. This year 189 young doctors are being given special training in diagnosis and treatment—they will return to their communities equipped to sharpen the attack on cancer.

30% the largest share of the contributor's dollar is devoted to the work of your Division and Unit. It underwrites a great educational program, utilizing every modern technique for influencing public attitudes—leaflets, spots on television, recordings for radio, films, seminars, courses for teachers and volunteers, information centers where the troubled can go for authoritative answers to their questions.

Service is planned with the advice of county and state medical leaders. It seeks to help the patient through many channels. These may include detection programs, providing facilities for diagnosis and treatment, care of the patient, as well as a multitude of activities by dedicated volunteers.

Some research is supported by Divisions. Costs of local administration and fund raising are also included in this 80% of the donor's dollar.

12% of the contributor's dollar is used by the national society as follows: Professional education 2.1%; Public education 2.4%; Service to cancer patients 1.2%; Statistical research 4%; Administration 2.8% Fund raising 2.4%.

Guard "Alert" Very Smooth

The great value of the National Guard to the community, state and nation was strikingly demonstrated during the alert that it was ready, at a few minutes notice, to help defend this area or to extend its valuable assistance in case of fire, flood or other disaster.

Responding to praise from civil officials and National Guard commanders for their fine showing, Capt. Philip Smith, commanding the 1st Battalion, said that officers and men of the unit were happy to participate in this training exercise.

With the speed and efficiency, Sep. Det. Hq. & Hq. Det., Michigan National Guard demonstrated during the alert that it was ready, at a few minutes notice, to help defend this area or to extend its valuable assistance in case of fire, flood or other disaster.

Responding to praise from civil officials and National Guard commanders for their fine showing, Capt. Philip Smith, commanding the 1st Battalion, said that officers and men of the unit were happy to participate in this training exercise.

The one-day test alert also found other Army and Air National Guard units throughout the state responding with alacrity and enthusiasm to the first training exercise of its kind ever held by the National Guard. Reports from all over the state indicated "Operation Maintenance" proceeded smoothly, with virtually no interruption to normal civilian activities.

Of the full strength of the Grayling Unit, Sep. Det. Hq. & Hq. Det., Michigan National Guard, 20 enlisted men, there was 1 officer and 17 enlisted men present for duty and assigned to their posts within 1 hour after receiving notice of the alert. Absences of the three men were due to one man in attendance at the regular army or dance school at Aberdeen Proving Ground, Md., one man in the local hospital and one man on leave at Charlevoix for the smelter.

Also, assigned to the Grayling Unit for this test alert and participating with them in that night's training were 2nd Lt. Gustav Schöble, Jr. and Pvt. William Kenyon of Midland's 48th QM Co. and Sgt. James E. Smith of the 1st FA Bn. in Charlotte. The alert officially terminated at 2:30 hours on that night and all men were dismissed and allowed to return to their homes.

Roster of Sep. Det. is as follows: Commanding Officer, Capt. Philip C. Smith; 1st Sgt. M/Sgt. Edmund A. Rutkowski; 1st Squad: M/Sgt. Leo Hawkins; Sgt. Bud R. Smith; Cpl. Ronald Larson, Cpl. Ross Thompson, Pfc. Warren H. Smith, Pfc. Henry Stephens, Pfc. Karl Benham; 2nd Squad: Sfc. Claude T. Halstead, Jr., Cpl. William D. Sloan, Cpl. Dale L. Kenyon, Pvt. Arroy L. Murray, Pvt. Peter Stephens, Pfc. Donald Hanson; 3rd Squad: Sfc. John Felling, Sfc. Joseph Murphy, Cpl. Francis Satchell, Pfc. Kenneth Newberry, Pvt. Donald Murray, Pvt. Robert Stephens.

Wadding Anniversary Observed

Rev. and Mrs. Hans Juhl were guests of honor Tuesday evening, April 18th, at a banquet in observance of their 45th wedding anniversary. The affair was sponsored by the ladies of the Grayling Lutheran Church Senior and Junior Aids, and was held at Danebod Hall. The dinner tables had been arranged in a U-shape, and were decorated with yellow crepe paper, yellow waxing flowers and green candles. The guest table was centered with a beautiful large anniversary cake.

Some 60 guests were seated to enjoy the delicious dinner, which was followed by a program of group singing and short talks. One of the songs was especially dedicated to the honored guests for their 25th anniversary in 1935, and was used again for this celebration. Among those who gave short talks were the Rev. John Ensslin, Wilhelm Raas, Mayor A. A. Roberts, and Mrs. Wilhelm Raas and Mrs. Leo Jorgenson spoke on behalf of the two Ladies' Aids. Rev. John Christensen of Ludington, who was unable to attend, sent a letter of greeting from his congregation. The Juhls were married in Ludington in 1910, where Rev. Juhl was serving as pastor. Mrs. Robert Sorenson then presented the Juhls with a gift from their many friends, after which both Rev. and Mrs. Juhl expressed their appreciation for the honor bestowed upon them.

Rev. Juhl served the Grayling Evangelical Lutheran Church as pastor for several years after 1931. They spent some years in Hampton, Iowa, and after his retirement returned to Grayling to make their home here with their daughter, Mrs. Floyd SanCarlier and family.

Kiwanis Names Hummel Top Citizen Of Year

Alfred Hummel, veteran Maple Forest farmer, was named as the Maple Forest's top citizen for 1954 at the third annual Kiwanis farm dinner held at the Maple Forest Inn on Monday evening.

About eighty Kiwanis wives and guests attended the evening and watched Kiwanis President Leslie Hunter make the award of a plaque to Mr. Hummel and a corsage to Mrs. Hummel.

The meeting started off with a first farm dinner dinner served by the members of the Maple Forest Home Extension Club No. 2, Wesley LaGrow of the Kiwanis Club was in charge of the meeting as he is chairman of the Kiwanis Club's committee on agriculture and conservation.

President Hunter opened the program following the dinner and called upon Don Gotro to lead the group in singing, "America." The club president then presented the award to Mr. Hummel. Mr. Hummel's daughter, Mrs. William J. Woodburn, Mr. Woodburn was selected for the award last year but was ill in the Grayling Mercy Hospital at the time. The award was never presented to Mr. Hummel, although he knew of it. His subsequent death precluded its presentation to him but was awarded Monday night to the family through the daughter, the former Helen Woodburn.

President Hunter next called on Robert Dewey, County Agricultural Agent who spoke on "World Understanding." Mr. Dewey started at the level of understanding between countries and lauded the Monday night meeting as a step in the right direction in establishing friendship, neighborliness and understanding between the urban and rural populations in this country.

Arthur Clough, state chairman of the Kiwanis Michigan District Committee on Agriculture and Conservation, also spoke on the program. Mr. Clough (Continued on Page 10)

Junior Prom Set For May 7th

The Junior Prom will be held this year on Saturday evening, May 7th. The music will be furnished by Hotcamp's orchestra with dancing from nine until midnight. The decorating theme is entitled "Garden of Roses."

The Juniors hope to make this dance an especially good one as it is held to honor the Senior Class for the last time before they graduate.

Admission is \$1.75 for couples and \$1.00 for singles. Buy a ticket and help the Juniors make their party a real success. Spectator tickets will be sold at the doors.

AN APOLOGY

Our apologies to the Grayling Agency which was inadvertently left from the list of Grayling merchants and business places who had an advertising banner and gave a door prize at the Grayling Women's Trade Show.

Public School To Close Friday Noon

The Grayling Public Schools will close at noon Friday, it was announced by Superintendent Frank L. Bond today.

The early closing was instituted to allow families to go to the Kalamazoo Festival. The Grayling High Band will take part in the program.

Annual Alumni Banquet Plans Near Completion

Plans are nearing completion for the 4th Annual Grayling High School Alumni Banquet to be held Saturday evening, May 28th at 7 p.m. in the new high school gym. A reception from 5:30 to 7:30 will precede the banquet. Mr. and Mrs. Robert LaMotte and immediate past president of the association Robert Welsh and Mrs. Welsh are making arrangements for this year's program. A business meeting for regularly paid members of the Association will follow the banquet with dancing and visiting to conclude the evening.

The banquet will again be served by the ladies of the Mary Martha Circle of the Michigan Memorial Church. In order to facilitate planning, tickets must be purchased or paid reservations made by Saturday, May 14th. Tickets will be priced at \$2.00 per plate which includes admission to the dance.

Tickets will be available from Mrs. Elizabeth Atkinson, phone 2971, Mrs. Helen Lamm, phone 3824, Dawson's, Burrows' Food Market, Sorenson's Grocery, and Welsh Motor Sales. It is asked that each register his name and year of graduation when buying his ticket.

Lounge Fund Contributions have been received from the following this week: Mrs. Thora Armbrornson, Wall, Seattle, Wash.; Mr. and Mrs. Lorne Douglas, Grayling; Mr. and Mrs. Stanley Stephan, Cadillac; Mrs. Wilda Sailing Wood, Grand Island; Mr. and Mrs. Don Kanagay, Grayling; Mrs. Choyce Newell Cooper, Grand Rapids; Mrs. Rose Newell Webb, Pontiac; Jerry LaGrow, Detroit; T. W. Hanson, Pomona, Calif.; and Mrs. Mildred Cornish Baker, Glendale, Calif.

Hold Golf Club Meeting

The officers and directors of the Grayling Golf Club held a meeting Friday evening to discuss plans for the summer season.

Efforts are being made to hire a club manager. An applicant for this position is to be interviewed before May 1st. It is planned to have the club house open by May 1st.

Golfers are pleased to find the course in good shape and sunny days are finding it already in use. This year's officers are Charles Piper, president; Grover Cox, vice president and Phil Paynment, A. J. Sorenson, Dr. Ralph Hoffman, Dr. F. Cook, Roy Milner, Willard Cornell and Dr. Edward Rodda, directors.

Green fees this year are \$1.50 for nine holes and \$2.00 for all day.

Chamber Nears 200 Members

The Crawford County Chamber of Commerce is nearing the 200 membership mark or two-thirds of the way to their goal this week as an additional nine memberships were listed.

Newest to join the new Chamber this past week were: Mrs. Jappe Smith's Cabins, Skyline Club, Mrs. Mabel Barker, West-er's Bottled Gas Co., Sorenson's Sporting Goods, Dr. L. F. Hayes, Grayling Laundry and Dry Cleaners, Gould Cleaners and the Grayling Bottling Co.

Temporary manager William Sorenson was in Traverse City last Friday where he attended a meeting of the Northwest Industrial Council. Out of this meeting has evolved a possibility of a panel finishing plant, using native wood, to be established here.

The Chamber's Board of Directors is holding a special meeting this Wednesday evening to discuss problems relating to aiding the establishment of this plant here in Grayling and also to talk over the service problem at the Grayling Municipal Airport.

The Board of Directors stated that they were extremely happy over the excellent response of the business places and citizens of the county in joining the new Chamber. They are confident now that the goal of 300 members will easily be reached.

Manager Sorenson also announced that through arrangements completed between the Chamber and Grayling Winter Sports, memberships in Grayling Winter Sports may now be obtained at the Chamber of Commerce building on Peninsular Street.

Rolfe-Leng Wed In Saginaw

A double ring ceremony solemnized the marriage of Miss Muriel E. Rolfe, daughter of Mr. and Mrs. George Rolfe of Maple Forest and Allan D. Leng on Sunday afternoon, April 17th, at 3 o'clock. Allan is the son of Mr. and Mrs. Ace Leng of Frederic. The Elder Lynn Hensley officiated at the Latter Day Saints Church, Saginaw. Twenty members of the immediate family were present.

Muriel chose a powder blue suit and white accessories for the ceremony. Her corsage was fashioned of pink roses and sweet peas. Matron of honor, Mrs. Charles Swander of Saginaw, sister of the bride, wore a beige suit and lavender accessories. Yellow roses and sweet peas formed her corsage.

Mrs. Rolfe wore beige with white accessories and Mrs. Leng navy with white. Their corsages were pink roses and sweet peas. Guy S. Kellogg of Saginaw, the groom's brother-in-law, was best man.

A reception was held in the church parlors following the ceremony. The three tiered wedding cake was graced on either side with tapers.

The bride attended schools in Tower, Michigan and Frederic. The groom attended Frederic High School and served in the Asiatic Pacific Theatre during World War II.

Following a weeks trip through Southern Michigan the couple is residing in Frederic.

Guests at the wedding were from Saginaw, Grayling and Frederic.

Expect More Than 200,000 To Open Season

An estimated 210,000 trout fishermen are expected to crowd Michigan streams and lakes on April 30, opening day of the 1955 general trout season.

By that date, conservation department fisheries workers will have released 250,000 kepper sized brook, brown and rainbow trout to tempt anglers.

Unlike opening day on other species of fish, trout season draws anglers to brook, fly streams and rivers and takes both large and small. Fishing with the general throughout the state and many will find as much success on southern waters as will those who travel farther north.

Much of the success of the open season depends of course, on weather conditions. At present, streams are well past spring flood stages and generally throughout the state are reported settled and clear. Sudden storms before the opener could alter this condition and make fishing tougher.

The Fish Law Digest, available up-to-date regulations, both local and general. Starting this year, an artificial fly for use in fishing can carry not more than a single "unweighted" hook.

Where regulations allow only the use of artificial flies, no sinkers, weights or spinners can be used in connection with the fly.

The "unweighted" portion of regulation is new this year. It is along the Main Stream of the Ausable River where most of the new regulations go into effect this year and where it is expected that most of the trouble might develop.

The Ausable, the most heavily fished stream in the state, on opening day is literally filled with waders from Grayling all the way down stream as far as wading is good. Inflated inner tubes, rubber rafts, boats and canoes also swirl down the Ausable opening day making their way through the waders.

This year from Burton's Landing to Wakeley's Bridge a trout must be 10 inches long to be legal, kept and \$8 per day less limits to each fisherman. Trout can be taken with artificial fly only, absolutely no hardware.

This step was taken by the Conservation Department to maintain good trout fishing in Michigan's greatest trout stream and follows similar experiments on the Branch near Lovell and the South Branch of the Ausable.

Committee Service Held For Henry V. Meach

A committee service was held at Elmwood Cemetery Friday afternoon, April 22nd, at 2 o'clock for Henry V. Meach who passed away on February 25th. The Rev. Gordon H. Light of Mt. Hope Lutheran Church, officiated.

Here to attend the service were J. T. Farwell of Chicago and Lawrence and Gordon Hansen of Cheboygan.

Damage School

Over \$100 in damage occurred at the new Grayling High School. Gymnasium structure over the week end when three large frosted panes of glass were broken. It was revealed by the building contractor that the panes were broken by the shooting of an air rifle.

Red Finds a
"Sweet Solution"

Red Jackson found a slick way to get his cows to eat what's good for them. Seems they were passing up the tall green grass—full of minerals and vitamins—and eating the short grass, which is naturally sweeter.

Red solved the problem by spraying a solution of corn syrup over the grass that was going begging. The cows sure went at it. Red says it's lucky for him—and the cows—that every one of them has a "sweet tooth."

Next week, according to Red, he's going to have his cows clean

up all the weedy grass along his fences—after he sprays them with more corn syrup, of course.

From where I sit, some folks, like Red, are always trying out new tricks—and others stick with the old tried and true methods. Just a question of preference, I guess. Like the way you may enjoy coffee with meals, while I prefer a cold glass of beer. So let's not allow any bad feelings to "crap up" by thinking ones is the only choice.

Parsons Politicians Look Ahead To 1958, See Different Predictions

Parsons Politicians looked at 1958 through bifocal crystal balls this week.

Republicans and Democrats came out of one of the roughest spring elections in Michigan history with predictions of the future as divergent as their campaign claims.

Pending recounts, Democrats won five and Republicans three of the contested offices, upsetting the springtime tradition that elections are Republican property.

The results led Gov. Williams to predict even greater victories in 1958 in Michigan than the 1954 sweep of all but two state administrative board offices.

Republicans countered with a statement from Senator Charles E. Potter that his party's losses were not significant and the picture would change in 1958.

"The year 1958 promises to be one of the greatest turning points in Michigan politics," said Williams.

It is no secret that Republicans alienated the liberals in their own party with campaign charges that the CIO would take over control of the school system and the Michigan Supreme Court.

The claims were variations on the theme since Williams first took office in 1949 that the union bosses in Detroit were sitting on his shoulder, directing things in Lansing.

Democrats said they saw through organization of local precincts. State Chairman Neil Stahler said it marked the start of an onslaught on county and township offices by his party.

Democrats played on the theme that Michigan's school system is in a mess and Republicans are responsible.

They played it softly and people didn't have time to wonder if Republicans were exclusively responsible for the birth rate which has overcrowded classrooms and made expansion necessary.

Observers in capitol corridors, knowing the results of the April 3 election, are certain who was right in the campaign, but one rather mundane result appeared to be a cinch. Said one:

"Whatever happened, both parties are leading into 1958 with one of the most interesting tasks in history."

Money Problems are again plaguing state government, even as you and I.

Both sides of the capitol are irritated at the lawmakers with which the legislature has tackled its major problems of 1953 and tax issues are in the top drawer.

Legislators have known since Jan. 12 they would have to pour more cash into the treasury to pay for the next fiscal year. Up to now, almost nothing has been accomplished.

Within a week, a 60 member citizen's advisory group is expected to make recommendations to the Senate tax committee on how to raise between \$15,000,000 and \$25,000,000 to cover the gap between existing revenue and estimated spending for next year.

The best bet now is an increase in the \$30,000,000 business activities tax. As stated by Senator Carlton H. Morris (R-Kalamazoo), tax committee chairman:

"It's about the only tax in state government that hasn't brought a flood of complaints."

A move is on to bring the 1955 session to a close June 3—and that will be the date when Michigan will know whether it has a tax program or will return to deficit spending.

Local Recreation Programs continue to grow in importance. This spring three one-day work shops will give community leaders excellent pointers on how to conduct a program. The workshops are open at no charge to anyone interested in handling sports, crafts, story telling, swimming or camping. They are under the direction of Ernest V. Blum, executive secretary of the Michigan Inter-Agency Council for Recreation.

Two workshops will be held on April 30. One headed by Prof. Russell B. Daubert, at Michigan State College, the other by Prof. Thomas C. Slaughter at Western Michigan College in Kalamazoo.

Prof. C. V. Money, Northern Michigan College in Marquette, will lead a third conference there on May 23. Inquiries for information should be directed to the workshop leader at his institution.

The Last 50 youths in prison with hardened criminals will be segregated into Ionia State Reformatory within a week.

It will be a victory for penologists and social workers who have long contended that young people cannot benefit from the prison process if allowed to mingle with the oldtimers.

Last year the legislature approved a \$400,000 project at Ionia, construction of a new

Just what is the Ground Observer Corps?

THE GROUND OBSERVER CORPS is the grass roots element of the nation's air defense system. Individually it is the man or woman who scans the sky, looking and listening for a sign of approaching hostile aircraft. Collectively, the G.O.C. is hundreds of thousands of patriotic Americans who have volunteered a part of their spare time to protect our nation from the devastation of a surprise enemy air attack.

Day and night, in thousands of observation posts, and dozens of air defense filter centers throughout the country, friends and neighbors stand guard over the security of our country, protecting you against the dangers of an air attack that might come at any minute. These men and women fully realize that the information they plot and relay to the Air Force may some day give our interceptor

pilots the early warning they need to combat an enemy air attack and give civilians more time to reach shelter.

Won't you join this vital task... your nation's air defense? Volunteer today for the Ground Observer Corps. Be proud to wear the G.O.C. wings. You need give only a few hours a week to help keep your home and country safe.

BITS O' TALK

Dan Babbitt just returned from a tour that took him in southern Michigan, Indiana, Ohio and Kentucky. He spent time in Kalamazoo, Mich., Port Wayne, Indiana, Ohio, Covington, Ky. and Cincinnati, Ohio. In the latter place he was guest of Mr. and Mrs. Harold Protsman. Mr. Protsman is an accomplished pianist, having graduated from Cincinnati College of Music last June. He is now doing post-graduate work at Cincinnati Conservatory and teaching piano. He also is on WLW Television programs often. Mr. Babbitt was privileged to witness a production while there, in which Mr. Protsman was awarded a \$500.00 scholarship. Mr. Protsman is known by quite a few local people, having spent 3 months with the Babbitts not long ago.

Mr. and Mrs. T. P. Peterson attended the Presbyterian Church Centennial in Vassar last week end.

Mr. and Mrs. Harvey Rowland and family spent Sunday a week ago in Traverse City.

Mr. and Mrs. William Vogel spent week end before last at their cottage at Eagle Point.

Mr. and Mrs. John Harrison returned Wednesday of last week from a four-month vacation in Florida. Mrs. Harrison stopped off at Detroit last week for a visit with her daughter, Mr. and Mrs. Jim Britton and grandchildren, returning here last week end.

Mr. and Mrs. Grover Cox and Pat spent Saturday in Traverse City on business. On Tuesday of last week Mr. and Mrs. Louise Callen and grandson, Jim Callen of Cheboygan were callers at the Cox home.

Mr. and Mrs. Don Gothro entertained Dr. and Mrs. Douglas Blockema and four children of Grand Rapids the week end of the 16th. On Tuesday night of last week Mr. and Mrs. Gothro and Mr. and Mrs. Dale Pettengill attended a Hot Point meeting in Traverse City. On Wednesday of last week the Gothros, the Pettengills and Mr. and Mrs. Frank Bond attended the Michigan State Alumni dinner at Melbrook Inn in Gaylord. The speaker was Paul Bagwell.

Against Chronic Illness

The problem of chronic illness is a tragic and serious one. Nearly 5,300,000 people suffer from it and long-term care, including those with hardening of arteries, diabetes, arthritis, paralysis, and prodigies resulting from injury.

Over a period of years the Commission on Chronic Illness, which was founded through joint action of the American Hospital Association, American Medical Association, American Public Health Association, and the National Public Welfare Association—has been studying the problem and framing conclusions and recommendations based on the experience and knowledge of a people.

The Commission's complete report has not yet been issued. A short time ago, however, it issued a report dealing with the planning of facilities to care chronically ill people. This is particularly timely because of recent amendments to the Hill-Burton act providing for Federal aid for construction of hospitals and related institutions.

Here, in brief, are some of the Commission's findings.

Care and prevention are inseparable. Those assuming care of the long-term patient have the obligation to apply early diagnosis and prompt treatment in order to prevent aggravation of the disability.

The cost of programs should be measured first in terms of human values, of effectiveness, and of productivity. The most economical care is that which most quickly and as fully as possible returns the patient to health.

Adequate institutional facilities for these patients are necessary and areas which do not have them should provide them. At the same time, the Commission feels that major emphasis should be placed on care in and around the home.

Rehabilitation services are extremely important, and programs, institutions and personnel must be aggressively rehabilitation-minded.

The personal relationship between long-term pa-

tient and physician should be strengthened. The agency should not be regarded as a substitute for the personal physician.

No pattern for organizing services fits all communities. Planning should be based on local regional facts as to needs, population, financial capacity, etc.

Planning must be directed to the needs of all long-term patients, and not limited by racial, economic, cultural or other such considerations. It also should take into account the services now available to special groups, such as veterans and members of fraternal orders.

Personnel shortages constitute a major block to improvement of care of the chronically ill. The solution lies in better recruitment, assistance with the costs of education, higher salaries, and other inducements.

The Commission also suggests that medical and health insurance and prepayment plans should extend coverage to allow benefits in chronic illness, and that more tax funds should be allotted to institutions for the care of these patients.

The problem is difficult. But concrete steps, based on a wealth of factual information as well as a qualified opinion, are being taken to solve it.

April 28, 1932

On April 24th, the Children's Fund of Michigan awarded a cash prize of \$25 to the Feldhauser School of Crawford County. This prize was awarded for work done by the teacher and pupils in a health contest which began Nov. 15th and closed April 15th. Everything possible for the improvement of health conditions in the school was done. Special efforts were made to establish health habits and correct defects among the children. This was carried on by means of hot lunches, milk for underweight pupils, posture drills, morning inspections, regular washing of hands, etc. A daily record of all health work was kept. It, with pictures, posters and other articles of handwork were made into a scrapbook which was sent to Detroit to be judged. Mrs. Wakely, who is the teacher, and her pupils are happy over their good fortune but they are not getting that much of the credit is due the parents, for their fine cooperation.

There is nothing lovelier than a dancing party in the early spring and this season of the year is usually chosen by the Junior classes for their annual J-Hop. The party given by the Class of '32 was no exception in these respects. The gym was simply but attractively decorated in rainbow colors. Huge crepe paper fans in those colorful shades had been arranged alternately, from the floor to the balcony and then from the balcony to the ceiling above, entirely around the gym. In the center and midway above, hundreds of bright colored balloons in massive groups swung with the rhythm of the gay dancers. At twelve o'clock Miss Gail Welsh and her escort Kenneth Givens gracefully led the grand march. The class counselor, Miss Berry, the officers of the Junior Class, Billy LaGrow, president, and Elaine Reagan, secretary, presided over the affair and made it the success that it was.

Dr. and Mrs. C. G. Clippert and little daughter Billann are spending the week in Detroit visiting friends.

Miss Helen Thorington, teacher at Love's school, spent the week end at her home in Gladwin. She was accompanied by Ted Wheeler.

Miss Anna Hanson returned Friday from Detroit where she had been spending several weeks visiting Miss Agnes Hanson and Mrs. John Libcke.

Axel J. Peterson of Detroit spent a few days the last of the week, visiting his mother, Mrs. Andrew Peterson.

Mr. and Mrs. Adam Gierke and Mrs. Frank Ahman motored to Mt. Pleasant Friday to accompany Earl Gierke home from Central State Teachers college. He came to take in the Junior Prom.

Mr. and Mrs. J. L. Martin and son Edward were in St. Ignace Saturday and Sunday visiting Mr. Martin's mother Mrs. P. W. Mar. Mr. and family they also visited Mr. and Mrs. William MacNeven in Mackinac.

Mr. and Mrs. Adolph Peterson and daughters spent Sunday in Lake Leelanau visiting Mrs. Peterson's parents, Mr. and Mrs. Wm. Peterson. They found Mr. Brownwell quite ill from the effects of an attack of the flu.

Flags, flags, everywhere, and for what? Last Friday was Louise's birthday. "Spoke" said that so momentous an occasion deserved flag display, so the Conine grocery and Hanson hardware stores soon were displaying Old Glory. Other merchants saw the flags and quickly followed suit, not knowing what it was all about. Some believed it must be Arbor Day "or something". Anyway, Grayling streets were decorated like a carnival, and Mrs. Conine will always remember her 4th birthday in Grayling.

Mr. and Mrs. Alfred Hanson and Miss Marie Brown spent Sunday in Alpena visiting friends.

Miss Bernice Corwin and George Hilton of Ann Arbor spent the week end visiting the former's parents, Mr. and Mrs. Nels Corwin and family.

For the first time since she has been playing cards Mrs. B. A. Cooley got 1,000 aces in a pinochle game and was very elated over the incident. She was playing with her grandson, Sam Gust.

Misses Isa Granger and Kathryn Brown entertained a few friends at the Granger cottage Wednesday evening of last week. Two tables of bridge were enjoyed after which a delicious lunch was served by the hostesses.

Ernest Hoseli, who has spent the winter at Rudyard, Michigan, where he was employed, has returned to Grayling.

Mr. and Mrs. Lorne Douglas of Saginaw and Miss Margaret Failing of Bay City, spent Sunday here visiting Mr. and Mrs. E. J. Olson and family.

Miss Emily Engel who has been taking a beauty culture course in Chicago has returned to her home for the summer months.

Mr. and Mrs. Thomas Cassidy and daughters Margaret and Jean of Lansing, returned to their home here Sunday.

Mr. and Mrs. J. L. Martin and son Edward were in St. Ignace Saturday and Sunday visiting Mr. Martin's mother Mrs. P. W. Mar.

Mr. and Mrs. William MacNeven in Mackinac.

The thermometer was registered at 18 degrees yesterday morning. Not favorable for corn or beans.

Miss Laurel London came up from her school in the Wakeley district last Saturday, reporting her first three weeks' experience as very pleasant.

R. Hanson and L. Fournier started Tuesday for Monroe, Louisiana, to look over the Grayling lumber camp and business.

The Michigan Central Fruit and Clover Land Co., with headquarters in Minneapolis, Minn., have planned a new town called Pere Cheney Heights, which is practically an addition to the north of Pere Cheney, of old times. This place is laid out with the main avenues 75 feet wide and the streets

50 feet wide, and is partly on each side of the railroad.

Eldora LeBrach, who was taken to Ann Arbor for treatment for the injury to his eyes, from an explosion, in the mill fire-pit, came home last week. The sight of both eyes is saved, much to the surprise of many, but to the great joy of the boy and his family and friends.

Tuesday evening of last week a party of thirty-eight lady friends of Mrs. H. C. Mortenson, assembled at Sheriff Amidon's residence. The evening was spent pleasantly in a social chat. Light refreshments were served and a token of remembrance was presented to her. On leaving all wished her the best of luck in her new western home.

Ray Owen of Lovells was doing business at Grayling Friday and Saturday.

Because we know that many folks still don't realize how little a Buick really costs—that the dollar difference between this big Buick SPECIAL and the leading smaller cars has virtually disappeared.

Buick Sales Are Soaring As Never Before

But more and more of them are finding it out. And that's a major reason why Buick production and Buick sales are soaring to all-time highs today—and why Buick again is outselling all other cars, regardless of price range, except two of the well-known smaller cars.

Big reason, too, for this soaring popularity is Buick's full line of automobiles, giving you a choice in any price class—the rock-bottom-priced SPECIAL, the high-powered CENTURY, the supremely spacious SUPER, and the custom-built ROADMASTER.

Thrill of the year is Buick

How To Have Hair For A Lifetime

To Be Demonstrated Here By
Famous Trichologist

OFFERS WRITTEN GUARANTEE

An exclusive interview by Steven Bright

WICHITA (SPECIAL) — J. Wayne Green, Director of Rogers, Inc. Hair and Scalp Specialists, exploded the myth of baldness today in an exclusive interview.

"Baldness is unnecessary, costly, and a plague to mankind," says Green. "No man need be bald. No man need suffer the stigma of premature old age that is forced upon him because he is losing his hair. The Rogers method of hair and scalp treatment can prevent baldness — can turn colorless fuzz into healthy, growing hair — can make you look youthful again."

Demonstration To Be Held

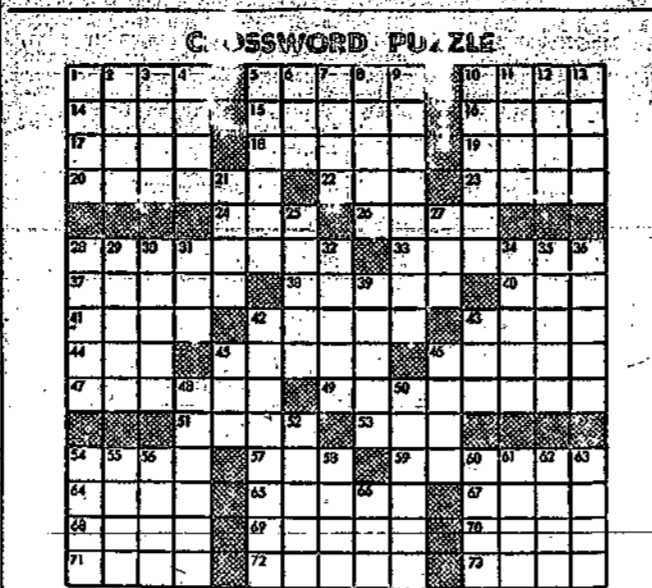

In Grayling, Michigan. This revolutionary method of home treatment for the hair and scalp will be demonstrated in Grayling, Michigan, Saturday, April 30 at the Shoppingtons Hotel. Trichologist Robert McDaniel will conduct the private, individual interviews from 12 noon until 6:00 P. M. on Saturday ONLY. There is no cost or obligation, and you need no appointment.

Reason for Baldness

"There is always a reason for baldness," continued this nationally known authority. "Hair cannot grow through a scalp that is infected with dandruff, excessive oiliness, or extreme dryness. A scalp that has never been properly cleaned cannot be expected to produce healthy hair. Men, and yes, women too, walk the streets today completely devoid of nature's greatest ornament — hair. Simply because they were not taught the basic rules of hair and scalp hygiene while they were growing up. 'The simple answer,' emphasized this expert, 'is that children should be taught the same simple rules of hair and scalp hygiene that they are taught for the proper care of their teeth. If this were the case, baldness would be a rarity today!'

Trichologist Green dodged no issues. He quickly took up the most widely spread theory of baldness — heredity. "Baldness is

No gasoline — not a single one — has higher octane than

New 1955 GULF NO-NOX

but octane alone is not enough...

That's why new Super-Refined Gulf NO-NOX is specially made to burn clean — to protect your engine — to give you thousands of extra miles of full engine power.

Fill up with new Super-Refined Gulf NO-NOX and feel the difference in lasting power. You'll get:

- More complete engine protection than with so-called "miracle-additive" gasoline.
- Extra gas mileage in the short-haul, stop-and-go driving motorists do most.
- Stall-proof smoothness... instant starts... fast, fuel-saving warm-up.
- No knock, no pre-ignition — even in today's high-compression engines.

This lamp is burning the "DIRTY-BURNING" TAIL-END of gasoline which GULF refines out.

This lamp is burning NEW SUPER-REFINED GULF NO-NOX, the clean-burning super-fuel!

This lamp test shows what a difference Gulf super-refining makes. Gulf refines out the "dirty-burning tail-end" of gasoline — at the refinery — to bring you new, clean-burning Gulf NO-NOX. Just see how clean new NO-NOX burns.

This is GULF'S PLEDGE to the motoring public

- We at Gulf make this promise to America's motorists. We will not permit a single competitor — no, not a single one — to offer a gasoline superior to our own superb No-Nox.
- It is our sincere belief that No-Nox is the finest gasoline on the market today, and no matter what others do or say we will keep it the finest — in power, in performance, in engine protection.
- This is not a boast, not a claim. It is a pledge to you, the motoring public — a pledge backed by the resources — and the integrity — of the Gulf Refining Company.

Compare clean piston "A" from engine using new NO-NOX with piston "B" from engine using the "dirty-burning tail-end" of gasoline that Gulf refines out. Both pistons shown here, from Gulf test engines, ran the same number of hours under the same conditions.

It's super-refined... to burn clean!
The '55 gasoline for all high-compression engines.

Meeting called to order by Mayor Roberts at 8:00 P. M.

Roll Call: Members Present: Roberts, Cook, Giegling, Simpson, and Gothro.
Members Absent: None.
Attorney Moore was also present.

Citizens Present: Capt. Phil Smith.

The minutes of the meeting held on March 14, 1955 were read and approved.

Moved by Gothro and supported by Giegling that the liquor licenses signed by the City Clerk for Spike's Keg O'Nails, AnSable Restaurant, Snuggles Diggins which were signed on March 28th and Shoppenagon's Inn, signed on April 6, 1955, be approved.

Year: All.

Captain Smith then presented to the Council a request for reciprocal use of fire equipment between the City of Grayling and Michigan National Guard.

After a study of the request it was agreed that both parties would have more information ready for the next meeting of the Council on May 8th, 1955.

This being the first meeting of the new Council after election Mayor Roberts requested for the election of the Mayor to serve for the ensuing two years.

Moved by Giegling and supported by Cook that Albert Roberts be the unanimous choice of this Council for the office of Mayor.

Year: All.

Moved by Simpson and supported by Cook that Emil Giegling represent the City Council on the Board of Supervisors for the ensuing two years.

Mayor Roberts is automatically a member of the Board of Supervisors by virtue of his office.

Many items of City importance were discussed and decisions were made.

Moved and supported that this meeting adjourn at 10:10 P. M.

Russell Carlson
City Clerk

Here's why Chevrolet out-V8's everybody!

These features and advantages are the measure of a truly modern V8 engine... and only Chevrolet has them in the low-price field. Most aren't even found in high-priced cars. That's why Chevrolet is stealing everybody's thunder with the most modern V8 on the road!

Modern 12-volt electrical system!
The only car in the low-price field with the extra-energy of 12 volts... twice the electrical punch!

Faster, stronger cranking for cold-weather starts and a "fatter" spark for faultless high-speed operation.

Highest standard compression ratio in its field!
Chevrolet's compression ratio is 8 to 1, to wring every possible ounce of power and extra miles out of every gallon of gas.

Requires only four quarts of oil!
Chevrolet's V8 engines are so efficient they need only four quarts of oil... you save on every change!

Highest-horsepower-per-pound!
These great V8's weigh far less than any similar engine in America, top the low-cost field in power per pound!

Shortest piston stroke in the industry!
Three-inch stroke reduces cylinder-wall friction, generates less heat, permits more compact design.

The pistons do far less traveling per mile... that means less engine wear, lighter loads on bearings.

It's the valve-in-head V8 as only the valve-in-head leader can build it!

One O'Clock

The C. S. Lemons returned to their cottage at Lake Margrethe Sunday after spending the winter in St. Petersburg, Fla. They plan to leave this week end to spend a couple of weeks in Ft. Wayne and Muncie, Indiana.

Mr. and Mrs. R. E. Trenaman and Mrs. Roy Burnett of Flint and Mrs. Zurry Belles called on the J. E. Strong Monday. Mrs. Belles was en route to her home between Grayling and Kalamazoo after spending a week with her sister, Mrs. Trenaman.

The office of Dr. L. F. Hayes was officially closed as of last Saturday to enable the doctor to spend some time with his family before leaving for the army. Dr. Hayes will leave May 8th from Traverse City Airport for San Antonio, Texas.

A family birthday party was held at the Alfred Sorenson home Sunday afternoon in honor of little Alfred James Feldhauser, who was 3 years old Sunday. His great grandmother, Mrs. George Sorenson, grandparents, Mr. and Mrs. Alfred Sorenson and Mr. and Mrs. A. P. Feldhauser, and parents, Mr. and Mrs. Henry Feldhauser were present. Alfred James enjoyed a birthday cake and received many nice gifts.

Meech's Grocery on US-27 is open daily including Sundays and evenings. Closed from 2 to 4 each afternoon.

Mr. and Mrs. John Niederer will leave Saturday morning for Lansing, where they will live from now on. John will be employed at the Chevrolet garage and attend school there nights.

Mrs. Charles Long left for Chicago Monday at midnight called there by the serious illness of her

mother, Mrs. Estell Cady. Mr. and Mrs. George Wolf and Mr. and Mrs. John Wolf and sister, Margaret, were in attendance at the funeral of a brother, Adam Wolf of Duluth, Minn.

Mrs. Dorothy Wolf returned from Lansing where she had been spending the winter with her daughter, Margaret.

Mr. and Mrs. Ben Gartland and children spent a recent week end in St. Catherine, Ontario, visiting a cousin, Mr. Gartland's, and Mrs. Edward Gartland and son.

Try our excellent table d'hôte dinners at reasonable prices. Shoppemans Inn.

The Q. C. Club gathered at Otto Felling's residence in Gaylord on Saturday night, for an evening of cards and watching television. The door prizes were won by Bill Jensen and Mrs. John McMillan.

The Q. C. Club has about 80 barrels. Anyone wanting rubbish containers call 2181 and they will be delivered.

SURPRISED WITH SHOWER
The Jolly Ten club surprised Helen Feldhauser on Wednesday night at her home with a shower in her honor.

Bunco was played with high prize going to Grace Andrews and low to Helen Feldhauser. The guest of honor received a lovely gift from the group.

SHOWER FOR FUTURE BRIDE
Mrs. T. P. Peterson, Mrs. Don Gothro and Mrs. Harvey Rowland were hostesses at a miscellaneous shower held at the Peterson home in honor of Mrs. Mildred Smith last Thursday. The hostesses served tea to about twenty-five guests.

A bouquet of spring flowers flanked by yellow-candles centered the table. The tablesmen were sandwiches, cookies and little cakes decorated with wedding bells and flowers. The bride-to-be received many lovely gifts.

KIWANIS HONORS

(Continued from Page 1)

passed the steps taken through Kiwanis to foster this meeting of minds between the farmer and city dweller and gave statistics of the many meetings which Kiwanis International sponsored last year in the way of shows, discussions and banquets.

The evening was topped off with dancing with music furnished by Mrs. Lloyd Taylor and Mrs. Kump. Both round and square dancing were enjoyed.

Small replied with a talk on the made of life in the Maple Forest area when he first moved there. He told of the tribulations of the farmer's life when he and his family were snowed in from November until April. His talk, which he at all times kept very humorous, was at the same time most enlightening to many in attendance.

The evening was topped off with dancing with music furnished by Mrs. Lloyd Taylor and Mrs. Kump. Both round and square dancing were enjoyed.

O. E. S. NEWS
